

# Scandinavian Storytelling

## Gnomes, Trolls, & Giants, Oh My!

**Join the American Swedish Historical Museum for the 2020 Collaborative Summer Reading Program to discover the wonders of Scandinavian mythology and folklore.**

Explore the art of storytelling with the American Swedish Historical Museum! Children will learn about story structure and common themes through Scandinavian folklore and fairytales such as *The Ice Queen*, *Stone Soup*, and *Knos the Giant*. We will then create new characters and plot to act out our own fairytale! This program will also discuss Norse mythology and Viking sagas to compare how different cultures create origin stories to understand the natural world.

### Traditonal Folklore

### Making Stories Come to Life!

**Target Age:**  
Elementary (grades 1-6).

**Cost:**  
\$100.00 for groups within 20 miles. Additional travel costs apply for further distances.
