

# DIY Boat Flashcards

## Directions:

- 1: Color in the pictures of the boats
- 2: Cut out the flashcard following the dotted lines
- 3: Fold cards in half and glue or tape ends together
- 4: Use the flashcards to study different types of boats.

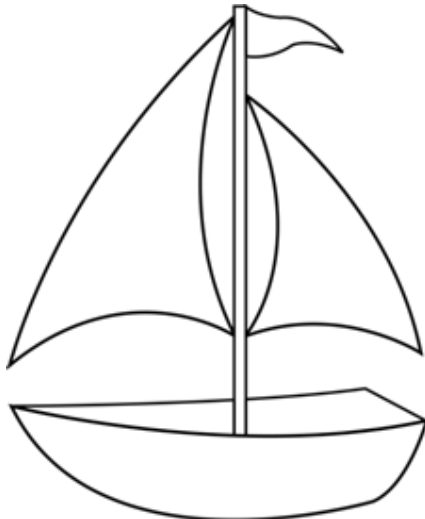

### Row boat

Used for fishing in lakes or the sea, for recreation, and as lifeboats on bigger ships

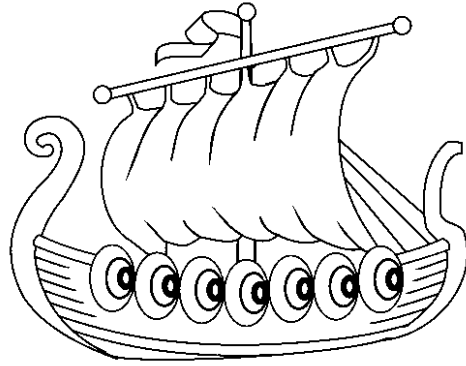

### Sailboat

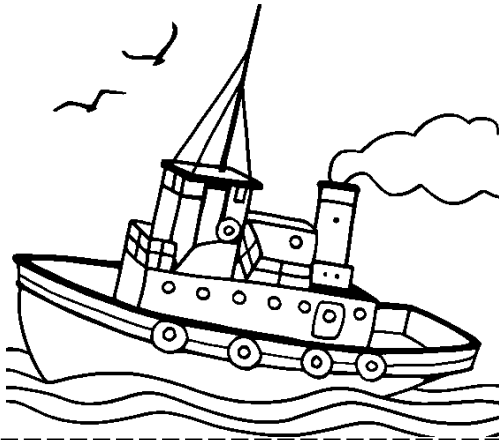

Used to travel, for leisure, and fishing in the sea

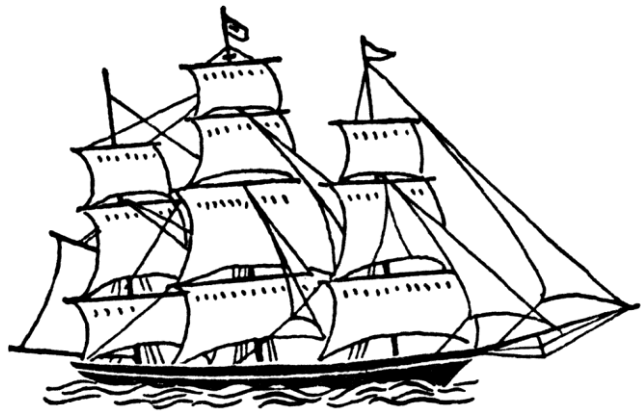

Viking Long Boat  
Used for travel, battles, and  
fishing in the sea

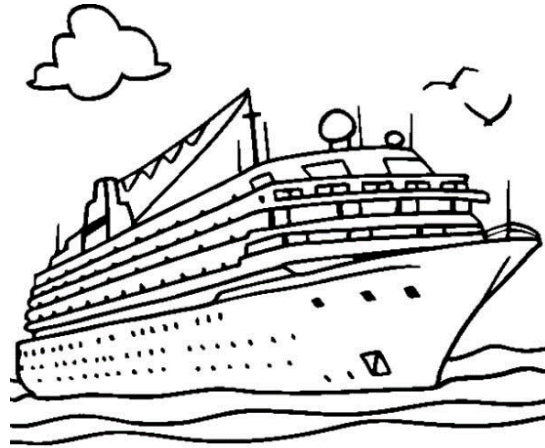

Tug Boat  
Helps push bigger ships into  
the harbor

Tall ship  
Used to transport goods and  
people far distances across  
the ocean

*Ocean Liner*  
Used for leisure and travel  
across the ocean

*Battle Ship*  
Used by Navies to fight on  
the sea
