

# DIY Collection Box

## Materials:

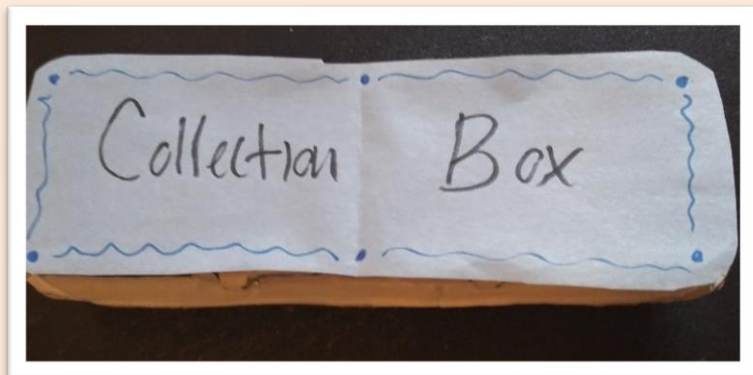

- ✓ Empty Egg Carton
- ✓ Construction paper
- ✓ Scissors
- ✓ Glue
- ✓ Markers or crayons
- ✓ Collection objects

1. Trace the shape of egg carton onto paper and cut paper to fit.

2. Write the name of collection or your name on paper and decorate. Glue to the top of the egg carton.

3. Fill with collection items. This shows a rock collection but you can put lots of things in the box i.e. buttons, small dolls, toy cars. You can organize items however you want by size, by color, or by material.

Other Things to save collections in:

- Used Cookie Tins
- Old tool box/ fishing box
- Jewelry organizer

Thank you for participating! If you would like to share what you made you can send to [education@americanswedish.org](mailto:education@americanswedish.org)
