

# Mouse Shapes Puppet

## Materials:

- Mouse Shapes Template
- Assorted colors of construction paper
- Craft Stick
- Glue and tape
- Scissors
- Pencil or marker

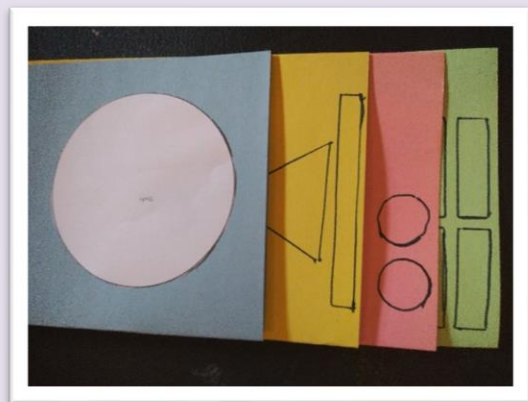

## Directions:

1. Print out mouse shape template and cut out the shapes.

2. Trace the shapes onto the construction paper and cut out shapes.

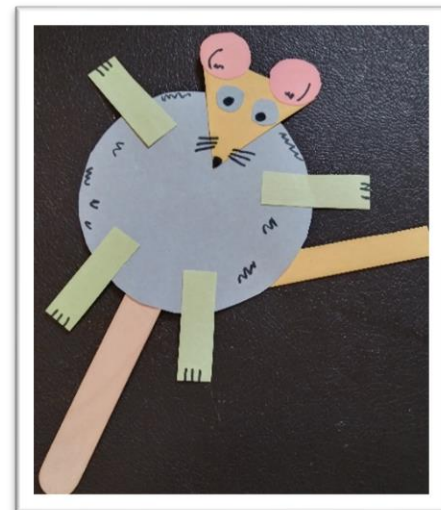

3. Glue the shapes together to make your mouse. Circle for the body, triangle head, rectangle legs and arms etc.

4. Tape to craft stick on the back of the mouse.

5. Draw on eyes, whiskers, or fur to decorate to your mouse.

Thank you for participating! If you want to share what you made you can send to [education@americanswedish.org](mailto:education@americanswedish.org)
