

Shape Safari Binoculars

Today we are going on a shape safari!
You will need your binoculars to help find the shapes.

Materials:

- Two empty toilet paper rolls or paper towel roll cut in half
- String or yarn
- Markers or crayons
- Masking tape
- Hole Punch

Directions:

1. Attach the two sides of the binocular by wrapping tape around the two ends.

2. Decorate your binoculars with shapes or patterns.

3. Use the hole punch to put a hole on the outside of each eye hole.

4. Put the string through the holes and tie a knot.

5. Now your binoculars are ready to go for the safari!

Thank you for participating! If you want to share what you made you can send to education@americanswedish.org
